The 2014 Financial Aid Directory was developed to aid Native students in pursuing a college education. The directory provides summarized information for each funding source.

THE DIRECTORY HAS THREE SECTIONS, AS FOLLOW:

- Local and Regional - aboriginal and existing Haudenosaunee or Six Nations territories and the northeastern U.S.
- National - the United States
- Appendix - helpful contacts and information

Refer to the Appendix to best search for additional funding sources available in your area of study, from employers, groups and organizations, as well as internships that may lead to scholarship eligibility. For Natives who are not of one of the Six Nations, identify the local and regional sources available with your affiliated Nation, Tribe, or Band.

The directory summaries are not all-inclusive. Ask the Administrator contact if additional information is needed for a complete application. Students must request applications directly from the Administrator of the grant/scholarship.

The Native American SUNY: Western Consortium office does not provide or obtain applications.

Students should also seek and apply for scholarships that target underrepresented or minority students.

The Native American SUNY: Western Consortium is supported by the State University of New York (SUNY) to provide assistance to students in Haudenosaunee or Six Nations communities in western and central New York State. Our office is located on the SUNY Fredonia campus. Please refer to www.fredonia.edu/na for continuing Financial Aid updates throughout the year.

We welcome your inquiries, comments and suggestions.
