

The State University of New York at Fredonia is committed to doing our part to provide each student a clear path to graduation. This four-year degree plan is a sample map for fulfilling requirements in the major, the College Core Curriculum (CCC), and other supporting courses. The pathway that you take to your degree may differ somewhat from this illustration, depending on where you start and the detours and side trips you may take along the way. If you are committed to completing your degree in four years, we encourage you to consider signing up for the Fredonia in 4 program. For complete information about this degree program, please consult the university catalog at fredonia.smartcatalogiq.com

The B.S. Business**Administration: Accounting**

degree is designed to provide the knowledge and skills required for success in the job market and in graduate programs. Students who major in Accounting are prepared for a cross-section of opportunities. Recent graduates have embarked on careers with small businesses, large corporations, and public entities in fields such as public accounting, management accounting, and government accounting.

The 120-credit hour Accounting program prepares students for the Certified Management Accountant examination (CMA).
