

INTERN WALL of FAME

Kimberly Bright

Alumni, Communication -
Audio/Radio Production,
Film Studies, minor

Disney Professional Intern

Disney College Program Alumni-only
Professional Internship
Orlando, Florida

"As a freshman, I was accepted into the Disney College Program. I did not want to pass up the opportunity, but also did not want to fall behind in credits, as graduating on time was incredibly important to me. The CDO worked tirelessly to put me in touch with the correct people so I would be able to receive credit for my semester and stay on track. They also took the time to introduce me to other students who had done the Disney College Program, which was a huge contributing factor to my success with Disney because it helped me prepare for the following months.

I had such an amazing experience that I decided to return to the Disney College Program during my senior year. I connected with the CDO again and received important information regarding internship credit and its relationship with my graduation in the spring and what that all meant for my future. I was accepted into a Disney College Program Alumni-only Professional Internship immediately after I finished my degree in Fredonia, which would not have been possible without the help of Jennifer and the CDO team!"

"For most, having the opportunity to be a part of the Disney Internships and Programs family in any capacity is a once-in-a-lifetime experience. **For Kim, it has been a “three in a lifetime” experience thus far!** Beginning her journey on the Disney College Program as a merchandise cast member, Kim has participated in two Disney College Programs prior to her current role: a Disney Professional Intern at the Disney Service Center!"
