J-TERM 2016 FINANCIAL AID APPLICATION PROCEDURES

The J-Term 2016 semester is linked to the preceding Fall 2015 semester. Consequently, once you complete the in-house J-Term financial aid application, your Fall 2015 Cost of Attendance will be adjusted to reflect the additional actual costs (direct and indirect) that you will incur during the J-Term aid period.

All students will be responsible for taking any refund check that will be issued to them during the Fall semester (based on their enrollment in J-Term) to the Office of Student Accounts to pay for their J-Term actual tuition and fees on their own.

Students Studying Abroad will receive their refund for their J-term trip during the Fall semester as well and will be responsible for paying any program fees through their International Education Office unless prior arrangements have been made with the Office of Student Accounts

ALL STUDY ABROAD PROGRAM FEES MUST BE PAID WITHIN 10 DAYS OF THE RECEIPT OF A REFUND, OTHERWISE A HOLD WILL BE PLACED ON YOUR FALL ACCOUNT.

If you end up not enrolling in a J-Term class or not studying abroad during J-Term after completing and submitting this application please contact our office immediately.
